Dear Chairman Widlitz, Chairman Daily, and the Honorable Members of the Finance Committee:

Thank you for raising H.B. 5472: An Act Concerning Filing Deadlines For Certain Property Tax Exemptions. This bill addresses a hardship which stems from innocent human error and will help a Connecticut small business during these difficult times. That business is T.P. Cycle and Engineering Inc., a small business in Danbury.

H.B. 5472 extends a Manufacturing Machinery Tax Exemption under C.G.S. § 12-94b to T.P. Cycle and Engineering Inc. for a Makino Milling Machine that they purchased. This legislation remedies the error which currently is preventing T.P. Cycle and Engineering Inc. from benefiting from this exemption due to innocent human error.

Thank you for considering this legislation aimed at helping a small business in our state.

Very truly,

Joe Taborsak
